## Description

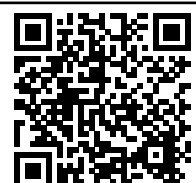

A highly desirable cocktail shaker, Art Deco in era, dating to c.1930 with a wonderfully stylish modernist design incorporating a loop design to the top of the cap. The design of this shaker is unusual in that it sits somewhere between a 'Parisian' (the top and base have a large overlap) and a 'Cobbler' (a three piece shaker with a built-in strainer). Just back from our silversmith's workshop where it has been professionally cleaned and polished, restoring it to its former glory. Beautifully marked on the underside for William Hutton & Sons together with the crossed arrows trade mark. Excellent condition measuring 4" in diameter x 10" tall.
