Description

A beautiful rare solid silver Kutch Indian needle case. It is unmarked but tests as high grade silver. I would date it to c1880. It has been beautifully hand made being embossed and chased with flowers. It is in superb condition being free from dings holes and repairs. It measures approx. 4 inches (10cm) tall by 0.5 inch (1.2cm) wide and weighs 14 grams. A superbly designed beautiful example.
