Description

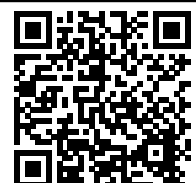

An attractive antique pitch pine table, of narrow proportions. The antique pitch pine table has a long rectangular top and is raised on four turned legs with a straight 'H' stretcher support. Great colour and patina throughout. Item Ref; M-4308 . DIMENSIONS: Height – 79cm / Width – 191cm / Depth – 59cm / Legroom - 58cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, splits and stains to the top and legs (pictured), however this doesn't affect the overall integrity of the piece. There is also evidence of historic woodworm, this is now long gone and has been fully treated as a precaution. The antique kitchen table remains structurally solid and sound. Overall, a good example of its kind. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item.
