Description

Edwardian inlaid Satinwood side table This Edwardian inlaid Satinwood side table was made circa 1910. It would have been constructed in one of the best workshops, probably Waring & Gillows or Maple & Co. They used the finest grade of Satinwood. It is fitted one drawer that is lined in fine cigar box mahogany using very fine dovetail joints. The top is inlaid with a feature panel of flame Satinwood at the centre, that is bordered by very fine stringing. The drawer front is crossbanded and fitted the original brass knob handles. It stands on tapering legs ending with spade feet, all joined by an H stretcher. Imagine this fine quality table in your home. 61cms wide 24ins 45cms deep 17 3/4ins 79cms high 31ins All dimensions are approximate, whilst we take as much care as possible, we can be marginally out.
