Description

A large example of a late Victorian Coddington magnifying glass, late, Victorian in era and dating to the late Victorian era, c.1890/1900. Usually, they are a much smaller portable size suitable just to pop in the pocket. This one however measures 2 1/4" x 1 3/8" x 1 1/4" deep. It remains in excellent condition with a strong, clear magnification and professionally polished, restoring it to its former glory. Item: 44137 FREE Worldwide Registered Airmail Directly From the UK
