Description

Fabulous pair of French mahogany oval bedside lamp tables with tambour sliding doors and marble tops, circa 1890. Super quality pair of tables and as they are finished all the way around, they will also work as freestanding sofa lamp tables as well as bedside tables. Both tables have lovely original marble tops which are finished with a fretwork 3/4 brass gallery, and are of a really good size so there's plenty of room for a generous size lamp etc. Useful storage area with the tambour slides, standing on fluted tapered legs with a further potboard shelf and turned legs with brass caps. One of the cabinets is slightly narrower than the other, by 2 inches or 5cm, but only noticeable when they are placed alongside each other like this for photographing. Once placed as bedside cabinets or sofa lamp tables, they don't notice! Priced as a pair. Measuring: Larger table 28 inches or 71 cm surface height 19 1/2 inches or 49.5 cm wide 14 1/4 inches or 36 cm deep Smaller table 27 3/4 inches or 70.5 cm surface height 17 1/2 inches or 44.5 cm wide 14 1/4 inches or 36 cm deep
