Description

A beautiful hand made solid silver spirit tot cup. It is marked with silver marks to the base and tests as high grade silver. I would date it to c1940. It has been beautifully hand made being in the form of a bucket and has been engraved and chased with a flower design. It is in superb condition being free from dings splits holes and repairs. It measures approx. 2.25 inches (5.7cms) tall to the rim by 2 inches (4.7cms) wide across the top by 1.5 inches (3.8cms) across the base and weighs 54 grams. A superbly made unusual piece.
