Description

A beautiful English antique solid sterling silver double struck caddy spoon. It is hallmarked for London 1894 with the makers mark being that of Goldsmiths & Silversmiths Co (William Gibson & John Lawrence Langman). It has been superbly designed to what is termed Kings pattern, the terminal has been engraved with initials JB or JK. It is in super condition being free from dings splits distortions and repairs. It measures approx. 4.25 inches (10.6cm) long by 1.5 inches (3.8cms) wide and weighs 24 grams. A beautifully made example.

Internal Ref: 27380
