Description

A lovely example of an early 20th Century oak filing cabinet with 8 internal trays and an attractive tambour front. It is well made and a good quality piece with panelled sides and it comes with its original working key. Each drawer has a raised front and a small brass name label. It is in good condition and is a very usable piece. The tambour front slides smoothly and the drawers are clean and tidy and open well. It is not without some small marks and knocks, a minor old shrinkage split on the top and minor signs of age and use but nothing detrimental and it displays well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
