Description

A very good 18th Century Welsh Oak Coffe Bach of superb colour and of small proportions, in lovely original condition. Retaining the detachable top with original wooden hinges and brass drawer handles. The drawers were originally locked into place with pegs from inside, the holes are still visible on the bottom of the interior and the drawer backs. Interestingly there is a label from Turpin Antiques inside the drawer, the coffer was probably bought from them in the 1980s.
