Description

We really can't sing the praises of these fabulously stylish Art Deco sconces enough. Originating from France these Art Deco matching pair of wall lights feature very heavy thick satin pressed glass slip shades which sit snugly inside chrome plated wall brackets. The glass design is of a rose with a radial sunray effect and geometric lines surrounding it. Dating to the 1930's, the lights are currently fitted with plastic replacement bulb holders which we will be exchanging for brass / chrome bayonet fittings. Previous owner had the back plates re-chromed so these do show some signs of use but generally very good and not tarnished. Overall condition is very good, just normal age related wear, no damage or chips to the glass. FREE UK mainland delivery.
