Description

Standing a whopping 45 cm tall is this fabulous Art Deco female figure. Stood on a Belgian marble base is this bronzed effect Brass female dancer in pose. Dressed in the style of the day with a slip and bob haircut she strikes a great pose. Unusual in both it's size and that the figure is two dimensional. Lovely condition, only signs of wear are to the base of the marble and the screw and nut which can't be seen but are showing signs of some rust. FREE UK mainland delivery
