Description

For your consideration is this lovely and totally original light to mid tone Walnut desk dating from the 1930's with chair. Compact in size this little desk is perfect if the space available is limited and of consideration. Generous sized top which is plentiful space for desk top computers or laptops. Original leather insert which is free from stains or any rips. This is a stand alone desk which means it can sit in a middle of a room as it has show veneers both sides of the desk. There are also two decent sized drawers all with beautifully figured walnut veneers with original chrome bar handles & locks with keys. We've had this piece professionally restored and so comes to you ready to use. All drawers run smoothly and there are no defects to note. The matching chair is slightly shorter in height than the regular chairs found but sits perfectly under the leg area of the desk. Lovely condition, the fabric does show signs of a few marks but nothing to unsightly. The frame and woodwork are perfect, no damage what so ever. The covering is a satin silk in a cream/ champaign colour. Chair size Height = 70 cm (28") Width = 48 cm (19") Depth = 40 cm (16") FREE UK mainland deliv...
