Description

Antique Oak Single Fusee Mantel Clock With Shaped Top By Thomas Gammage London. This lovely antique single fusee mantel clock has an oak case with a rich colour and grain. The top of the case is shaped with mouldings to the front and side edges as well as having a shaped brass finial. There is then an inlet shaped to the front of the case as well as the front edges being inset slightly. There is then a further moulding to the bottom of the case leading to the four, shaped brass feet which finish the case beautifully. The dial is then silvered and engraved with black Roman numerals with a thin ring to the outside marking the minutes. The dial is then signed by the maker to the centre "THOS GAMMAGE & SON 1 St Michaels Alley Cornhill London 3631". Finally the dial is finished by two lovely shaped hands as well as having a protective glass set into the brass bezel. The movement is then wound from the front and accessed from the back. It is ticking away and working as it should. It comes complete with its regulating pendulum, winding key, and travel nut. The movement is then signed by the maker "THOS GAMMAGE & SON 1 ST MICHAELS ALLEY CORNHILL LONDON NO 3631". It is an excep...
