Description

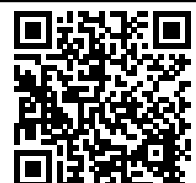

A beautiful 18th century antique New Goodrich sewing machine table. The antique New Goodrich sewing machine table has a reclaimed rectangular shaped oak inlaid top, raised on a black metal frame base with wheels. A wonderful example of its kind, full of authentic charm. Item Ref; M-3517 . DIMENSIONS: Height – 72.5cm / Width – 102cm / Depth – 47cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and splits to the oak top (pictured). The base is in good condition and has recently been rubbed down and painted. The antique New Goodrich sewing machine table remains structurally solid and sound but one thing is that the wheels don't move like they should. Overall, a great example of its kind. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item.
