Description

An attractive antique oak and glazed hanging corner cabinet. The antique oak corner cabinet features a glazed door, which opens to reveal a fitted two shelf interior. The antique oak corner cabinet has fixings to the back to be secured to the wall. A particularly pleasing example, with great colour throughout. Item Ref; M-3326 . DIMENSIONS: Height - 87cm / Width - 73cm / Depth - 43.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and dents to the sides and base (pictured), however this doesn't affect the overall integrity of the item. There are also shrinkage splits to the front (pictured). There are signs of historic woodworm to the top, however this is now long gone and has been fully treated as a precaution. The antique oak corner cabinet remains structurally solid and sound, with the glass intact. Overall, a good example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home!
