Description

A beautiful rare Australian solid sterling silver spoon. It is hallmarked for ST.SILVER (for sterling silver) along with the makers mark of James Linton. I would date this piece c1950-70's. It has a stunning Arts and Crafts hand made design and a flower terminal. It is in perfect condition being free from dings splits distortions and repairs. It measures approx. 4.5 inches (11.2cm) long by almost 1 inch (2.3cm) wide and weighs 14 grams. A beautifully made rare piece.
