Description

An excellent original antique Victorian period leather top writing table. This was made in England, it dates from around 1860-1880. It is of great quality and is a lovely size. The inset green leather top is beautifully hand coloured and gold tooled. The handles and legs are beautifully turned, this sits on original porcelain casters. The back is also nicely finished, so this can be used as a free standing item. We have had this recently re-polished, the condition is fantastic for its age. There is just some minor wear beneath the polish here and there. This has a gorgeous overall patina and colour tone. Width – 36 inches , 92 cm Depth – 22 inches , 56 cm Height -29 inches , 74 cm Knee height – 23 inches , 59 cm
