Description

A beautiful very large old pine double wardrobe (Circa: 1900), with 2 main doors, and 2 drawers in the base. Totally dismantles for delivery so should go up any stairway. In very good condition for its age, drawers sliding smoothly, and I'll make sure the lock and key are working nicely for you. Some beautiful detailing, and a nice cornice top. Sitting on bun feet at the front, square feet at the back. With an internal depth of 20.5", plenty of hanging space for the largest of coats/suits. It currently has its original swinging hanging pegs inside at the top. These could be kept if you'd like us to fit a shelf at the top and a hanging rail below the shelf, or could be removed, and the new brass hanging rail fitted up near the top. Can be purchased as it is (bare wood) for £1000, or £1147 if you'd like it waxed for you. Both prices include the fitting of a new brass hanging rail. Height: 78", width: 62", depth: 25.5", internal depth: 20.5"
