## Description

An excellent original antique George III tilt top table in solid mahogany. This was made in England, it dates from around the 1790's period. It is of superb quality, beautifully made and is a very useful size. The mahogany has acquired an absolutely gorgeous colour and patina over the years. It sits on a twisted spiral baluster support on tripod legs, the circular top can be flipped up when the brass catch beneath is released. We have had this recently re-polished, the condition is lovely for its age. There are various small marks and indentations beneath the polish here and there, commensurate for age. Width – 28 inches , 72 cm Depth – 28 inches , 72 cm Height – 27 inches , 69 cm
