Description

A beautiful solid sterling silver citrine gem stone bangle or bracelet. It is hallmarked 925 standard and I would date it to c1940s-1960s, possibly Scottish. It has been very nicely designed being set with a citrine gem stone. It is in super condition being free from dings splits distortions and repairs. It measures approx. 2.75 inches (7cms) across by over 0.75 inch (2.4cms) wide and weighs 24 grams. A very pretty piece.
