Description

A stunning Danish solid silver server. It is hallmarked with the Copenhagen tower mark dated 1955 along with the makers mark being difficult to decipher but looks like COHR. It has been beautifully designed with the terminal being decorated with oak leaves and acorns. It is in superb condition being free from dings splits distortions and repairs. It measures approx. 5.5 inches (14.2cm) long by 2.25 inches (5.6cm) across and it weighs 26 grams. A very well made example.
