Description

A very attractive set of Victorian painted pine table top drawers of lovely proportions. A previous owner's pencil inscription remains clearly visible to the underside of the drawers, reading 'Isabella Wilkinson 1892'. The drawers are extremely well made and are of excellent form, colour and patina; a rich dark blue with a black decorative border and brass handles. The great proportions and all-over colour make this piece extremely versatile - it can be used for anything from desktop storage to a mirror stand. A really charming one-of-a-kind piece.
