Description

A rare 19th century Chinese export silver whiskey decanter or bottle label. It is unmarked but tests as high grade silver. I would date it to c1860. It has been beautifully pierced with the Irish spelling and prunus blossom decoration. It is in super condition being free from dings splits holes and repairs. It measures 2.25 inches (5.5cms) wide by 1.75 inches (4.3cms) excluding the chain and weighs 16 grams. A rare and interesting piece.
