Description

A large old pine wardrobe, with a decorative top (crown), 2 solid panelled doors, and 2 drawers in the base. A very solid, heavy, sturdy wardrobe, sitting on bracket feet. The decorative top piece could be removed if required. Totally dismantles for delivery, so should go up any stairway. I can usually deliver and assemble myself, (just let us have your postcode and we can give you a quote). Currently empty inside, we can fit a new brass hanging rail near the top, or a shelf, with a rail underneath - as required. With an internal depth of 18.5" (I mistakenly suggested it had an internal depth of 18" in the video), should be fine for hanging most things. In bare wood having recently been stripped. Can be purchased as it is for £1100, £1247 if you'd like me to wax it for you. Height: 83", width: 68", depth: 23.5", internal depth: 18.5"

Internal Ref: V1000H
