Description

A rare chance to acquire a bell striking, twin-fusee wall clock. They don't come along very often. A beautifully polished oak case with two opening side doors and also one to the base. The 12" white painted dial with black Roman numerals, finely cut hands, and signed "T. RUSSELL. 18, Church St., LIVERPOOL" He is recorded in Loomes "Clockmakers of The World" as working at 18, Church St. 1893. The twin-fusee movement has just been fully overhauled by our BHI registered staff and carries our usual 12mths full parts and labour guarantee. It strikes the hours on a cast steel bell with a beautiful crisp, resonating tone. A brass bezel with silvered sight ring compliments the dial and case to give this clock the elegance such a quality movement deserves. An absolute gem. All cards accepted.
