Description

Lovely shape and design and typical colourway for these Art Deco mirrors, English circa 1930. The mirror itself is in great condition. Still retains it's original backing, hanging chrome chain. We photographed this piece in natural daylight to give the best representation of colour and condition. The frame has modest wear with signs of some patina, nothing distracting and we feel actually adds to it's charm. Perfect for modern and period settings, hallways, bathrooms , mantle areas etc. The mirror has two blemishes to note, a foxing spot about 1 cm and on the center bullet mirror at the base is a silver internal mark. There are no chips, silver loss, clouding, cracks. FREE UK mainland delivery.
