A 1st Period Worcester Polychrome Sparrow Beak Jug c1775

Price

Sold**Item Reference: SA932335****Date of manufacture: 18th Century**

Dimensions

Height = 9.5 cm (3.7")

Description

A Worcester 1st Period Dr Wall polychrome sparrow beak jug. This is a charming jug decorated with Mandarin figures. The Chinese figure is dressed in mauve and yellow and has a wonderful 'looped' hair style. He is pictured in the garden with a couple of turquoise garden seats and two butterflies. It is unmarked and in good condition. A most unusual piece. It measures 9.5cm high.

Internal Ref: FF
