Description

A well proportioned early 19th century antique bow fronted mahogany chest of drawers. The antique mahogany chest of drawers has an arrangement of two short over three long graduating drawers, each with wooden knobs. The mahogany chest of drawers has a shaped apron to the front and is raised on four bracket feet. Beautiful colour and grain throughout. Item Ref; M-4319 . DIMENSIONS: Height – 103cm / Width – 103cm / Depth – 50.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and minor dents to the drawer fronts, top and sides (pictured). There have been some historic repairs to the veneer in places (pictured), also a repair to the one side (pictured) however this doesn't affect the overall integrity of the product. The antique mahogany chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a good example of its kind.
