Description

A late 19th century Sheraton Revival bracket clock timepiece in a mahogany case, the pagoda top with a carved roundel at the apex and a moulded cornice over a ropework inlaid case with boxwood stringing and a lozenge shape inlaid with amboyna and tulipwood and on a plinth base raised on brass feet, with a locking cast brass bezel with bevelled convex glass to a silvered 4.5" dial with black Roman numerals and outer minute track, blued steel hands to an eight day fusee timepiece movement with brass pendulum, English circa 1900. Supplied with keys. Condition: Excellent; the clock is in extremely good condition with no marks to the case, the dial is in very good condition and the movement has been fully serviced and overhauled, and is in good working order. Overall it has a very pleasing appearance and colour.
