Description

A wonderful antique circular mahogany coffee table in the Regency style. This was made in England & dates from around the 1930's. The quality is amazing, this is extremely well made and is a great size. The circular top has a flame mahogany centre and mahogany edges, with the original inset gold tooled leather banding in-between. This sits on a splayed solid mahogany base with brass capped feet and casters. We have had the mahogany stripped and re-polished, the leather has been gently revived. This is in excellent overall condition for its age. Width – 36 inches , 91 cm Depth – 36 inches , 91 cm Height – 20 inches , 51 cm
