Description

Mahogany 3 pillar dining table This Regency style mahogany 12+ seat dining table was made in the first half of the 20th century by a cabinetmaker using wonderful mahogany. The colour is stunning and will make your dining room look even more special with its warm glow. This dining table is a great length but not as wide as a table of this length. This is a great asset for dining tables not blessed with depth. The cabinetmaker had a superb eye for proportion as he made this table in the Georgian style, using a design that has been placed in fine homes since the late 18th century. This elegant table will look fantastic in your home and will make a such a special table for your dinner parties. The table stands on 3 mahogany pedestals with legs coming off the plain turned gun barrel columns. At the end of each leg is a cast brass claw toe with brass rolling castors under. This is a table that will seat 12-14 comfortably. Imagine entertaining around this superb dining table with your families and friends, and the pleasure it will give you This dining table has been restored in house and polished by hand. There is little upkeep just a soft cloth dust when required. 362cms long ...
