Description

A rare solid silver Tenerife decanter or bottle wine label. It is unmarked but tests as high grade silver. I would date it to c1790. It has been beautifully pierced and is in super condition being free from dings splits holes and repairs, a few small old repairs to the chain. It measures approx. 2 inches (5cm) wide by almost 1 inch (2.4cm) excluding the chain and weighs 10 grams. A rare and interesting piece.
