Description

A beautifully designed and very well made antique Victorian foot stool in mahogany. This was made in England, it dates from around the 1880-1900 period. It is of lovely quality and has a fine and elegant design for the period. It is low, long and narrow, quite a useful size and is very sturdy. We have had the mahogany frame re-polished, and this has been re-upholstered in a cream cotton fabric. The condition is excellent for its age.
