Description

A beautiful Georgian antique oak gate leg table. The antique oak gate leg table has a rectangular shaped top when closed, with a drop leaf to either side. The drop leaves are supported by two gate legs and form a large oval shaped table top when extended. The antique oak gate leg table is raised on six shaped legs with straight stretcher supports. Wonderful grain and patina throughout. Item Ref; M-4331 . DIMENSIONS: Height - 75cm / Width - 105cm / Depth - 39.5cm / Extended - 122.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, stains, minor dents and fading to the top (pictured), further marks and fading to the base (pictured). There is evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution. The antique oak gate leg table remains structurally solid and sound, with the gate legs working well. Overall, a good example of its kind. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photo...
