David Anderson silver & enamel condiment

Price

Sold**Item Reference: SA933660****Date of manufacture: 1960**

Description

A David Anderson blue enamel and silver condiment set in original box. Wonderful vibrant blue, the mushroom shaped shaker shows no sign of use. It has a David Anderson marked plastic stopper. All presented in the original cardboard box. Wonderful condition, I think there may be a very tiny fault on the pepper, very minor and possibly a manufacturing fault. Box 12 cm x 10 cm x 3.5 cm
