Description

Super large early 1900's Scottish Wemyss ware pail with the original handle and the original lid in the famous cabbage roses design. The pail itself is in good condition apart from a small hairline and it has its original handle but the original inner lid has been repaired some time ago. The pail has both the impressed Wemyss mark underneath and the London retailers mark. The original inner lid is almost always missing on these so to have it on this example even though it has been repaired is not common. SIZE; 11" diameter by 11" high CIRCA; 1900
