Description

Antique Edwardian Mahogany Side Cupboard Ideal for many purposes. Here we have this fine example of a rare Edwardian (circa 1900) Mahogany bedside cupboard. This cupboard features an ornately carved rear up-stand with a moulded and reeded door frame which houses the cupboard, complete with 1 removable shelf inside. The cupboard door has a simple yet attractive fielded panel and a brass dropper. The cabinet stands proudly on a moulded edge plinth. This cupboard is in an outstanding condition featuring its original beautiful lightly faded french polished finish with a lovely rich Mahogany colour. We have just carefully cleaned and waxed this cupboard, maintaining its original patina whilst giving a lovely natural sheen. Please note; This item is in fantastic condition for its age as shown by the photographs. Being an antique item of this age there are obviously marks, scratches and dents. However, we feel that these points are which adds to its charm and character to a piece.
