## Description

C1880-1900 a fine quality bronze mirror with excellent details throughout. It has the original bevelled glass mirror, and brass backing. The mirror frame overall measures 38cm in length and 16.5cm across. The actual mirror area is 20cm x 16.5cm on the outside and the glass inside is approximately 16cm x 12.5cm. The whole item weighs approximately 0.6kgs. The frame has a large shell shape at the top, and at the bottom is a mythological face or possibly an image of The Green Man. The quality of the casting can be seen throughout. The backing has a purpose made ring at the top to enable the mirror to hang on the wall, and the initials G D on the bottom - see photo 7. Postage and packing within the UK mainland only is included in the price and for outside areas or abroad please contact us for a delivery quote.
