Description

A wonderful pair of wooden candlesticks, always a winning combination, polished Oak and brass. Not to be confused with a simple pair of twists, these are the highly sought-after "open" twists, with two hand carved twists spiralling around each other. The highly decorative cast brass drip trays are to protect the wood from hot wax drips, the brass re-polished to gleam. Excellent condition measuring 10" tall with a base diameter measuring 4 3/4". Edwardian in era, c.1900. New green baize to the underside for furniture protection. Item: 44086 FREE Worldwide Registered Airmail Directly From the UK
