Description

Date made: 1930's Diamond content: 1.51ct Metal: Platinum Finger length 12mm Condition: Excellent commensurate to it's age Ring Size: UK/AUS I/12 US/CAN 41/2 can be resized This stunning antique ring originates from the 1930's. The ring showcases a fabulous 1.30ct european old cut diamond. Measuring 7mm in diameter this SI1 clarity (the mark in some pictures isn't an inclusion just the light refracting the cut of the bottom of the diamond) I colour diamond. This is a wonderful old cut diamond that dazzles with every flick of the finger, gorgeous. Flowing around the central diamond are 14 matching old cut diamonds. These total 0.21ct and compliment their central diamond perfectly. The ring is solid platinum and in excellent condition commensurate to its age. A wonderful unique antique ring which would make the perfect engagement ring.
