Description

A super quality cased pair of antique solid sterling silver serving spoons. They are hallmarked for Sheffield 1902 with the maker's marks being CB&S. They have been superbly designed and are in superb condition being free from dings splits distortions and repairs. The case has a few base edge scuffs but nothing of note. They measure approx. 7.25 inches (18.5cm) long by almost 2 inches (4.7cms) wide and have a combined weight of 102 grams (excluding the case). A very good quality well made set.
