A fantastic antique bookcase in burr walnut, made in England and dating from around the 1930's. This is of exceptional quality, with a beautiful and impressive design. The front is finished in gorgeous burr walnut, with paneled lower doors and astral glazed upper doors. This sits on a plinth base, and has a lovely dental molded cornice. There is lots of storage space inside, and the upper shelves are all adjustable. We have had this stripped and re-polished to a high standard, the condition is excellent for its age.
