Description

Description: A beautiful scalloped edged hardwood bench, it came over from South Africa, where it had been with the same family for generations so it's a good age and very well made and in a nice condition. Would be utterly amazing with a kilim seat in a hallway. Shipping: Delivery is not included, but I am happy to get you a quote in advance of purchase so please get in touch patointeriorsshop@gmail.com or collection is also fine.
