Description

A well-presented early 20th century pale oak dining table. The three plank oak top has cleated ends and is raised on shaped sides. The shaped sides are united by a straight central stretcher with peg joints to either end. Item Ref; M-2604 . DIMENSIONS: Height – 77cm / Width – 182.5cm / Depth – 69cm / Legroom – 72.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including some minor age-related marks to the top (pictured), but overall, the table is in good antique condition. The oak dining table remains structurally solid and sturdy and fully functional. A good clean example with an attractive pale oak colour throughout. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
