Description

~ French - Circa 1890 ~ ~~ Excellent condition, fully overhauled ~~ A superb cartel wall clock in the style of Louis XVI. It is formed as a round bronze body housing the movement suspended from an ormolu ribbon swag with a bow crest. The bronze body is decorated with stylised acanthus beaded decoration. The dial is porcelain enamel on copper with floral decoration between the numerals and finely cut gilt brass hands. The French movement is of high quality and is in excellent clean and running condition having been fully overhauled by our clockmaker. Pendulum is original. It runs for 8 days and strikes the hours and halves on a bell. We have a video of the clock running, please ask and we will send you a link or alternatively it is on <https://www.facebook.com/DragonAntiques/videos>. Condition of the case is excellent, the original gilding is beautifully clean and bright with hardly any wear or discolouration. Bronze has a lovely patina with some slight marks and wear. There is no rear cover to the case. The dial is also in excellent condition with no damage. Complete with original pendulum, bell and a suitable key. Full setting up instructions supplied if required. D...
