Description

A Large and most Wonderfull Oak Geometrically Moulded Dresser Base. At 90 inches long and 32.25 inches high with a depth of 22.5 inches this is a very useful piece of country furniture. Seven drawers in total with the added storage space in the two large cupboards at each end. The two planked top is in great order but could do with a polish? It is sat on the original stile feet with a central leg to help support the weight. As with all my listings it does require some restoration and will be included in the price? If you require more information please do not hesitate to contact me or better still why not pay us a visit? best wishes chris
