Date of manufacture: Victorian

Dimensions

Height = 116 cm (45.7")

Width = 113 cm (44.5")

Depth = 48 cm (18.9")

Description

This is a very high quality 19th century Aesthetic movement cupboard possibly by Gillows. It has gorgeous original paper panels depicting birds and foliage. These really stand out from the timber which looks to be Rosewood and mahogany. The overall condition is very good with only minor faults. The doors open smoothly and close flush but there isn't a key. The interior is a shelved space making this an ideal sideboard for a dining room or living space. Height 116cm (to rail) Height 89cm Width 113cm Depth 48cm Price includes UK mainland delivery
