Date of manufacture: 19th Century

Description

Antique Bronze Figure Of Cupid Forging An Arrow At His Anvil. This stunning antique bronze figure has a beautiful colour and patination. The figure depicts cupid standing with his right arm raised holding a hammer and his left arm holding an arrow as he forges an arrow against an anvil. The piece is cast in truly wonderful detail with his bow and quiver shown between his legs as well as roses growing around the reeded base below the anvil. A truly beautiful antique piece that would look fantastic in any home or collection. The piece is then also stamped to the back "16204". It measures approximately: - 10" / 25.5cm Tall. - 6.75" / 17cm Wide. - 4" / 10cm Deep.
