Description

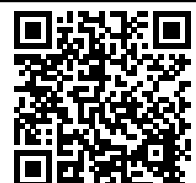

A stunning antique console / server table in the Sheraton style. This was made in England, it dates from around the 1930's. It is a large size, very elegant and is of amazing quality. The wood is predominantly mahogany, there is cross banding of satin wood and king wood around the edges, and inlaid walnut on the front corners. There is a well shaped stretchered base, the legs are nicely tapered and sturdy. There are three generous drawers, the central drawer contains baize lined cutlery dividers. The condition is excellent for its age, we have just had this re-polished. Width - 47 inches , 120 cm Depth - 18 inches , 46 cm Height - 30 inches , 76 cm
